Application Cover Sheet

Dear Applicant,

Thank you for your interest in the Charlotte Mobility Assistance Program. We hope to help you in your time of need. Please fill out all information on the attached form. **We may call you if you have not filled out all parts of the form or if we need to know more information about your needs.**

We hope to be able to help you. We recycle gently used equipment donated by people in the community. If we do not have the equipment you need, we may not be able to help, but we will do our best to meet your need. Our goal is to help people who do not have medical insurance or the money to pay for the equipment they need. Please check with your church, family, and friends before you accept any equipment from Assist M.E.

Please note that you need to have your doctor write a prescription for your equipment. Attach the prescription to your completed application. **Assist M.E does not gift respiratory equipment such as nebulizers or CPAP machines.**

**** If we are able to meet your need, please know that the equipment you receive is a gift and is your responsibility to maintain. Assist M.E is not responsible for any repairs or injuries caused by using the equipment.**

Sincerely,

Jack Sheehan,
President
